

### School Annual Education Report (AER) Cover Letter

August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-14 educational progress for the Boyne City High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me at (231) 439-8100 for assistance.

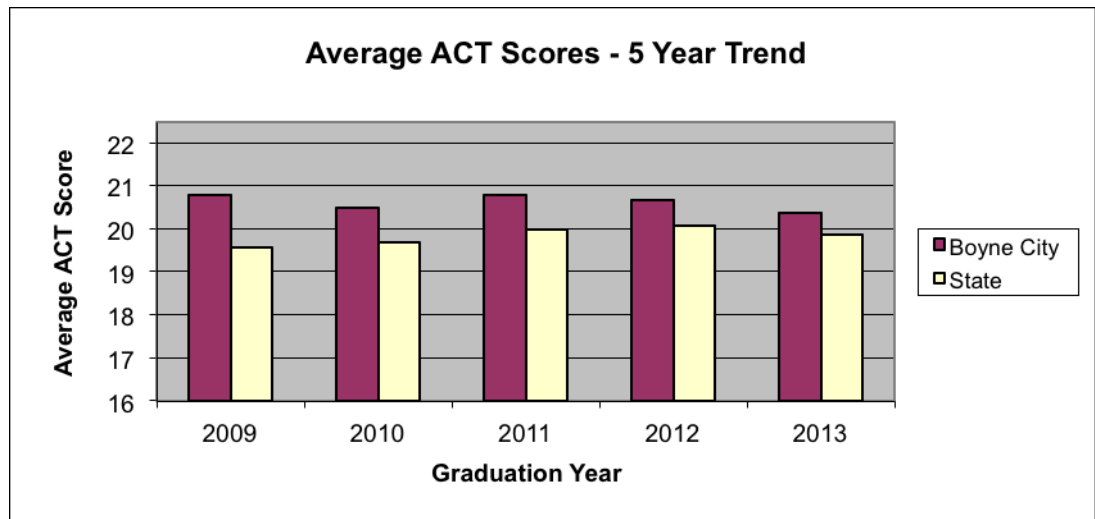

The AER is available for you to review electronically by visiting the following web site [www.boyne.k12.mi.us](http://www.boyne.k12.mi.us) or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. Our school has not been given one of these labels for the 2013-14 school year.

State law requires that we also report additional information.

1. Boyne City Schools assign students to specific schools according to grade level only, inasmuch as there is presently only one elementary school, one middle school, and one high school in our district. Our district operates an Alternative High School, in which students in grades 9-12 can apply to attend. Boyne City Schools welcome students who reside within the Charlevoix-Emmet Intermediate School District (ISD) and live out of the Boyne City School District through open enrollment and are accepted based on available space.
2. The school has maintained school improvement goals in the areas of reading, writing and math. Progress toward the goals is monitored and goals are adjusted yearly.
3. Students that attend Boyne City High School have access to specialized programs that are offered in the Charlevoix-Emmet Intermediate School District. Specialized programs exist in the areas of Special Education, Teen Parenting, Alternative Education, and Career and Technical Education.

4. Boyne City High School follows the Michigan Department of Education curriculum, available for viewing at <http://www.michigan.gov/mde>. District department teams and teachers coordinate the efforts of K-12 subject area curriculum committees to review, evaluate, develop and write curriculum and assessments. This ongoing, cyclical process includes research, analysis of current practice, selection of appropriate resources, and implementation. These same department teams also meet to assure alignment across (vertical articulation) and within grade levels (horizontal articulation). Vertical articulation addresses the transition between one grade or subject level to the next. The district curriculum is aligned with the Michigan Department of Education Grade Level Content Expectations and Michigan Merit Curriculum.
  
5. In addition to the Michigan Merit Exam results, Boyne City High School uses the ACT scores to monitor student progress.

6. During the 2013-14 school year 46% of our students were represented by parents during our parent-teacher conferences.
  
7. Boyne City High School offers a variety of advanced learning opportunities that allow students to earn college credit as part of their high school experience.
  - a. Boyne City High School students are able to earn college credit through dual enrollment and direct credit courses, both on campus and off campus offerings are available.
