

## **GRADE SCIENCE**

-  
Teacher – David Bricker  
Paraprofessional – Dawn Thayer

### **UNITS:**

- Cells – Fall
- Chemicals – Early Winter
- Plants – Late Winter
- Body Systems – Spring

### **CLASSWORK:**

- Daily journal entries
- Quizzes
- Tests
- Labs
- Homework
- Daily classroom work

### **GRADING:**

All assignment will be evaluated and graded. Late work may result in lowered scores. Bonus points may be given for work completed early. Most assignments may be corrected for additional points. Scale: 90-100=A, 80-89=B, 70-79=C, 60-69=D, 0-59=F

### **EXPECTATIONS:**

Students are expected and encouraged to participate in class discussions. Students are expected to make their best effort on all assignments. RTC will be used for students who repeatedly interfere with the teacher's and/or student's ability to do their jobs.

### **FIELD STUDIES:**

- Camp Daggett
- Lake Charlevoix Water Study
- Stackus Funeral Home
- Chandler Hill Winter Survival Activity
