I can hardly believe that I am writing the last monthly newsletter of the year. It feels like once the weather warmed up a bit, it has been full steam ahead!

The children have really enjoyed playing outside on the playground in the warmer weather. We have been on a few nice walks around town and also enjoyed walking to the Library every Tuesday. Some days we didn't even need to wear our coats! :)

The last few weeks of school are upon us and that means lots of fun activities to keep us busy. We will be having our End of the Year Picnic on Friday, June 6th. We will eat yummy food for lunch in the cafeteria and then, hopefully, go outside for some organized games. We hope everyone can come to this fun event. Our Three-Yr.-Old Classroom will get to watch our Four-Yr.-Old friends Graduate on June 12th. We are looking forward lots of fun activities and projects in the next few weeks.
